Analysis Group Promotes New Managing Principals in New York and Chicago

Boston, November 6, 2008 — Analysis Group, a leading provider of economic, financial, and business expertise to law firms, corporations, and government agencies, is pleased to announce the promotion of [Maureen M. Chakraborty, Ph.D.](#), and [Andrew Y. Wong, Ph.D.](#), to Managing Principal, effective immediately. Dr. Chakraborty, based in New York, is a specialist in commercial damages, bankruptcy-related matters, and solvency analysis. Dr. Wong's expertise is in complex finance issues, including bankruptcy, and corporate valuation. He is based in Chicago.

Dr. Chakraborty joined Analysis Group's Boston office from PricewaterhouseCoopers in 2003, and since 2007 has been integral in expanding the firm's New York practice. Her work has focused largely on corporate valuation, securities, and general commercial damages analysis. Dr. Chakraborty has provided consulting services and expert testimony in matters involving antitrust, breach of contract, business interruption, employment disputes, fraudulent conveyance, intellectual property, securities, and successor liability issues. Dr. Chakraborty also has worked closely with our affiliates [Susan C. Athey](#) of Harvard University, and [Stuart C. Gilson](#) and David S. Scharfstein of Harvard Business School. Dr. Chakraborty holds a Ph.D. in economics from the University of Notre Dame.

Formerly with Chicago Partners, Dr. Wong joined Analysis Group in 2006, and has played a key role in the development of the firm's Chicago practice. A specialist in corporate finance, venture capital, securities, and company valuation, Dr. Wong has managed case teams supporting multiple experts in areas involving securities fraud, accounting, and financial statement analyses -- including work on behalf of Citigroup. Dr. Wong also has extensive experience in SEC investigations into mutual fund industry practices, including allegations of market timing and front running, as well as legal disputes relating to structured debt products. He has worked closely with our affiliates John J. McConnell of the Krannert School of Management at Purdue University and M. Suresh Sundaresan of Columbia Business School on numerous matters involving finance and economics. Dr. Wong earned his Ph.D. and M.B.A. in finance from The University of Chicago, and is a member of the American Finance Association.

"Andy and Maureen have played key roles in identifying and developing notable academic and industry affiliates in finance, economics, and other high specialized niches," said Analysis Group President and CEO [Martha S. Samuelson](#). "These new relationships expand the firm's overall client service capabilities in addition to strengthening our Chicago and New York practices."
