Analysis Group Increases Senior Staff with New Promotions and Appointments

Boston, February 24, 2009 — Analysis Group, a leading provider of economic, financial, and business expertise to law firms, corporations, and government agencies, is pleased to announce the promotions and appointments of professional staff.

“We are delighted to recognize these consultants for their outstanding work, their commitment to client service, and their contributions to our growing practice,” said President and CEO [Martha S. Samuelson](#).

New Principals

[Almudena Arcelus](#), Boston – Ms. Arcelus specializes in antitrust, commercial litigation and damages, and intellectual property, and has managed many of the firm’s largest cases. She holds an S.M. in management from the MIT Sloan School of Management.

[Howard G. Birnbaum](#), Ph.D., Boston – Dr. Birnbaum has been instrumental in establishing the national prominence of the firm’s Health Economics practice, having led numerous research projects and provided expert testimony in a broad range of health economics matters. Dr. Birnbaum received his Ph.D. in economics from Harvard University.

[Elizabeth A. Evans](#), Los Angeles – Ms. Evans is an authority on accounting-related litigation. She is a testifying expert, and regularly supports many of the firm’s academic affiliates. Ms. Evans holds an M.B.A. in finance, accounting, and statistics from the University of Chicago Booth School of Business, and a J.D. from the University of Alabama. She is a CPA, a CMA, and a CFA charterholder.

New Vice Presidents

In our Boston office, James A. Fricano, formerly with CRA International, has more than 10 years’ experience in securities-related matters; [Christian Frois](#), Ph.D., provides strategic and economic consulting to pharmaceutical companies; [Arindam Ghosh](#), Ph.D., is an econometrician who has consulted to clients in a variety of industries, including computer software, mutual funds, agriculture, and pharmaceuticals; and [Sander Yermakov](#) has focused on developing growth strategies for clients in the pharmaceutical industry. [Janis Carey](#), Ph.D., in our Denver office, specializes in resource, environmental, and energy economics, with a focus on water rights and electricity markets. [Steven S. Saeger](#), Ph.D., also in Denver, specializes in matters related to banking and financial institutions, valuation, and tax. In our Los Angeles office, [Kevin Gold](#) has calculated damages in securities fraud, intellectual property, and breach of contract cases; and [Mike Nguyen](#) has conducted damages assessments in commercial damages, investment suitability, and real estate matters. [Peter Hess](#), Ph.D., in our Menlo Park office, has consulted on antitrust, class action, employment, environmental, and intellectual property matters. [Lisa B. Pinheiro](#), in our Montreal office, has supported experts in matters related to transfer pricing, antitrust, and finance. In our New York office, Ran Harel’s casework has included complex valuation assessments and assessment of damages in intellectual property disputes. Joining Analysis Group’s San Francisco office from The Brattle Group, [Robert L. Earle](#), Ph.D., specializes in the energy sector, and has extensive experience in regulatory matters and energy market restructuring. And in our Washington, D.C. office, Kara Gorski, Ph.D., has analyzed damages in intellectual property engagements in the medical device, semiconductor, and telecommunications industries.
