

**FOR IMMEDIATE RELEASE**

## Analysis Group Announces Promotions and Appointments, Welcomes New Affiliate

---

**Boston, February 1, 2011** — Analysis Group, a leading provider of economic, financial, and business expertise to law firms, corporations, and government agencies, is pleased to announce the promotions and appointments of professional staff, and to welcome a new affiliate to the firm.

“We are delighted to recognize the outstanding work, commitment to client service, and valuable contributions of these consultants,” said President and CEO [Martha S. Samuelson](#). “It is gratifying to acknowledge the individuals who have grown along with our practice, and exciting to bring new expertise into the firm.”

### New Affiliate

[Professor B. Espen Eckbo, Ph.D.](#) – Dr. Eckbo is the Tuck Centennial Professor of Finance and the Founding Director of the Lindenauer Center for Corporate Excellence at the Tuck School of Business at Dartmouth College. He specializes in corporate finance, investment banking, and the market for corporate control. He is a Research Associate of the European Corporate Governance Institute; a frequent keynote speaker; and has testified before the U.S. Congress on issues concerning the government’s equity ownership positions in firms rescued under the Troubled Asset Relief Program.

### New Vice Presidents

In our Boston office, [Gene Kovacs, Ph.D.](#), performs economic and financial analyses and manages case teams in litigation involving 10b-5 securities fraud allegations and accounting-related issues. [Susanna E. Matter](#), also in Boston, works with companies in the pharmaceutical, biotechnology, medical device, and clinical diagnostics industries on issues related to pricing and reimbursement, launch strategies, and new business development. [Orlando E. Visbal](#), in our Chicago office, is an accounting and finance specialist with more than a decade of experience calculating damages, evaluating mergers and acquisitions, and analyzing financial statements and intangible assets. [Stephen M. Benenson](#), in our Dallas office, has worked on litigation and consulting engagements involving breach of contract, intellectual property, antitrust, business interruption, bankruptcy proceedings, royalty investigations, and utility rate-setting and cost of service. [David Nellesen, Ph.D.](#), in our Menlo Park office, specializes in helping clients in the medical device, biotechnology, pharmaceutical, and molecular diagnostic industries develop clinical and economic evidence of value to support launch strategy and secure favorable reimbursement. In our New York office, [Ching T. Watson, Ph.D.](#), applies econometric models and analyzes the effects of changes in accounting items on firm valuations. [Sara E. Filipek](#), in our San Francisco office, has extensive experience in corporate strategy development, litigation support for economic analysis, and financial valuations. In our Washington, D.C., office, financial economist [Michael Cliff, Ph.D.](#), specializes in asset valuation, stock analysts’ recommendations, initial public offerings, mortgage insurance, executive compensation, and hedge funds. [Robin Heider](#), also in Washington, has managed teams conducting research and analysis of domestic industry, remedy, and bonding issues in International Trade Commission cases.

Joining our firm this month is Vice President [Debjit Ghosh](#), who has more than 16 years of experience in health care consulting, corporate analytics, and economic analysis. He specializes in the development of commercial strategy, pricing and contracting models, and regulatory compliance. He will be based in our New York office. (MORE)
