

## Raising the Standard in HEOR

---

# Founded in 1981, Analysis Group is one of the largest private economics consulting firms,

with more than 900 professionals across 14 offices. Analysis Group's health care experts apply analytical expertise to health economics and outcomes research, clinical research, market access and commercial strategy, and health care policy engagements, as well as drug-safety related engagements in epidemiology. Analysis Group's internal experts, together with its network of affiliated experts from academia, industry, and government, provide our clients with exceptional breadth and depth of expertise and end-to-end consulting services globally. We support clients in over 30 countries around the world.
