180 North Stetson Avenue  
Suite 2300  
Chicago, IL 60601

Ms. Filsoof has conducted economic and financial analyses and managed case teams in support of academic and industry experts in a broad range of cases, including finance and securities, antitrust, and general business litigation. Her finance and securities case work has included evaluating investment compliance and suitability, compliance with fiduciary duties, and due diligence; analyzing investment management fees; and assessing alleged misrepresentations and omissions in the underwriting of securities. Her antitrust case work has included analyzing market structure and competitive dynamics; evaluating the competitive effects of mergers; assessing the appropriateness of class certification; and estimating antitrust damages. She has also analyzed economic issues and estimated damages in general business litigation. Her case work has spanned multiple industries including financial services, insurance, payment cards, high technology, aviation, and pharmaceuticals. Ms. Filsoof has provided assistance to attorneys in all phases of the litigation process, including case strategy, discovery, expert reports, deposition, and trial.
