Analysis Group Podium Presentation and Posters

2026 ISPE ANNUAL MEETING | AUGUST 29–SEPTEMBER 2 | MILAN, ITALY

Analysis Group's health care experts apply their expertise in epidemiology, biostatistics, clinical research, and regulatory strategy to questions across a broad range of therapeutic areas.

This year, we are pleased to moderate one podium presentation and present five posters at the 2026 ISPE Annual Meeting. Please find the details below.

Please stop by and say hello to our team at Booth 313.

All posters will be on display in the Exhibit Hall during their scheduled poster sessions. To view a poster's corresponding abstract and author list, please click its **code** or **title** below.
